Cognitive Science: A Multidisciplinary Journal is published monthly by Wiley Periodicals LLC, 111 River St., Hoboken, NJ 07030-5774. Periodicals Postage Paid at Hoboken, NJ and additional offices.

topiCS is the newest journal of the Cognitive Science Society. It is a forum for new communities of researchers, new controversies in established areas, for debates and commentaries, reflection and integration. Please visit the journal's website at https://cognitivesciencesociety.org/topics-journal/for more information on the journal. You may also contact the journal's editor, Andrea Bender, at Andrea.Bender@uib.no for information on proposing a topic for the journal.

Disclaimer: The Publisher, Cognitive Science Society and Editors cannot be held responsible for any errors in or any consequences arising from the use of information contained in this journal. The views and opinions expressed do not necessarily reflect those of the Publisher, Cognitive Science Society or Editors, neither does the publication of advertisements constitute any endorsement by the Publisher, Cognitive Science Society, Editors, or Authors of the products advertised.

Cognitive Science and *topiCS* are the official journals of the Cognitive Science Society, Inc. Membership in the Society includes online access to both journals.

Wiley is a founding member of the UN-backed HINARI, AGORA, and OARE initiatives. They are now collectively known as Research4Life, making online scientific content available free or at nominal cost to researchers in developing countries and enabling more researchers to publish open access by providing publisher backed waivers and discounts. Please visit Wiley's Content Access – Corporate Citizenship site: https://www.wiley.com/en-us/corporate-responsibility.

Cognitive Science: A Multidisciplinary Journal accepts articles for Open Access publication. Please visit https://authorservices.wiley.com/author-resources/Journal-Authors/open-access/hybrid-open-access.html for further information about Open Access.

Electronic Access: This journal is available at *Wiley Online Library*. Visit http://wileyonlinelibrary.com/ to search the articles and register for table of contents and email alerts.
